Performance Standards

Your Northern Hot Tub must be registered to receive guarantee repair service. We may ask you to provide an original bill of sale to determine if the hot tub qualifies for guarantee coverage. Our Northern Hot Tub Guarantee starts from the original date of delivery. A travel charge may be due for installations in remote areas. The hot tub owner is responsible for providing unencumbered access to the equipment for service, removal, and reinstallation of the hot tub for required repairs.

If Northern Hot Tubs determines that the repair of the hot tub is not feasible, it reserves the right to provide a replacement hot tub equal in value to the original purchased price. In this case, the owner is responsible for certain expenses, including removal, shipping and reinstallation of the existing or replacement hot tub. Upon replacing a hot tub, the guarantee will cover the remaining portion of the existing guarantee from the original installation date. The guarantee does not cover fading from natural ageing and damage from excessive chemical use on all hot tub finishes and fixtures. Any Northern Hot Tubs installed for commercial applications do not qualify for guarantee coverage. The Northern Hot Tubs guarantee can not anticipate, nor does it cover, damage or failure resulting from product abuse, accidents, power disturbances, vandalism, acts of God or nature, and other causes that are out of our control.

All Northern Hot Tubs must be used, installed and maintained as directed by the supplied Owner's Manual to receive guarantee coverage. The Northern Hot Tubs guarantee is valid only in the country of purchase. Service after the sale is the responsibility of the dealer from whom you purchased your Northern Hot Tub. All guarantees are registered online by you or your Northern Hot Tub dealer.

Disclaimers

Northern Hot Tubs and its representatives shall not be liable for any injury, loss, cost or other damage, whether incidental or consequential, arising out of any defect covered by this guarantee, including, without limitation, loss of use of the hot tub and cost for removal of the defective product, even if Northern Hot Tubs has been advised of the possibility of such damage. The liability of Northern Hot Tubs under this guarantee, if any, shall not exceed the original amount paid for the defective product. Coverage under this Guarantee shall commence as of the date of installation. If not specified, the original date of purchase and the duration of such coverage shall not extend for any reason whatsoever beyond the stated periods. These disclaimers shall be equally applicable to any service provided by Northern Hot Tubs or its designated representatives.
