Our Hudson Plug and Play Hot Tub is an entertainer's delight and boasts seating for 4 to 5 adults. Bench-style seating allows friends and family to gather and converse while demolishing stress in soothing, hot water. Hudson round hot tubs are packed with all the desired features and is fully insulated, just like your favourite cooler brand.

In fact, it even has a built-in ice bucket to keep your beverages ice cold while you make lifelong memories with the ones you care about most.

Automated filtration and electronic water purification make round hot tub ownership easy. It even comes standard with WI-FI technology for the most convenient plug and play hot tubs in the business.
